SWADHINATA TRUST Bangladesh 50 photo album

2.30pm
Sunday
6 November

Bethnal Green
Library
Cambridge Heath Road
London E2 0HL

In 2021 Swadhinata Trust published a commemorative album, titled *Bangladesh 50*, featuring rare black and white historical photographs taken in 1971 by photographer Abul Lais Shyamal. These pictures depict a story of people uprising against injustice and military rule and are an inspiration to all movements against tyranny and dictators.
